

Cells Choice Board Assignment 2

ORGANELLE WANTED POSTER:

- Make a wanted poster that shows what the organelle looks like, what it does, and what type of cells it is found in.
- Draw a picture of the cell part with an Old West villain looking twist to it.
- Give the cell part a villainous cowboy name related to its own name.
- Write a description of what the cell part looks like (part real/part cowboy) Be sure to tell what kind of cells it is found in.
- Tell where the organelle is likely to be found (part real/part cowboy)
- Describe what the organelle's real job is for the cell.
- Create and describe how the outlaw cell did its job in a criminal way.
- Make up an amount offered for your outlaw organelle.

WRITE A STORY:

- Pick an organelle found in a plant or animal cell
- Write a story, "A Day in the Life of a _____."
- Make sure it is at least 1 page long
- Your story needs to include at least 7 other organelles and how they interact.

WRITE A CELL RAP/ POEM/ or SONG:

- Write a poem, rap, or song about a cell and all of its organelles.
- Your poem, rap, or song should include information about all 12 cell organelles and structures and what they do in a cell.
- You will turn your rap/poem/ or song in on a piece of paper and will have the option to perform your piece in front of the class, but this is not required.
- Your poem, rap, or song can rhyme or not, it's up to you.
